TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in town Affairs:

You are hereby notified to meet at the Town Hall in said Hooksett on Tuesday, the fourteenth (14th) day of March, next, at ten of the clock in the forenoon; action upon the following subjects will be at eleven of the clock in the forenoon. Polls will close at 6:30 P. M.

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the Town will vote to give a discount of two per cent (2%) on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.

4. To see if the Town will vote to accept all Trust Funds not before accepted.

5. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1950 taxes, to be repaid therefrom.

6. To hear the reports of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.

7. To hear and act upon the report of the Town Budget Committee.

8. To hear if the Town will vote to accept the Budget in whole or in part.

9. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty (\$150.00) dollars to be used by the Merrill-Follansbee Post No. 37, American Legion of Hooksett, for Memorial Day and Armistice Day ceremonies, as petitioned for by Walter L. Murray and fifteen (15) others.

10. To see if the Town will vote to raise and appropriate the sum of five hundred forty-two dollars and seven cents (\$542.07), the State to furnish two thousand one hundred sixty-eight dollars and twenty-nine cents (\$2,168.29), the same to be expended under the State Highway Department for Class V town road assistance, or take action relative thereto.

11. To see if the Town will vote to raise and appropriate a sum not exceeding one hundred (\$100.00) dollars to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town in co-operation with the other thirty-seven communities in this Region, or act in relation thereto.

12. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty (\$150.00) dollars for a new roof on Fire Station No. 1, as petitioned for by the Selectmen.

13. To see if the Town will vote to raise and appropriate the sum of one hundred and fifty (\$150.00) dollars to restore the salaries of the Selectmen as they were in 1946, as petitioned for by the Selectmen.

14. To see if the Town will authorize the Selectmen to borrow approximately three thousand (\$3,000.00) dollars for the purchase of a 2-ton dump truck for the Highway Department.

15. To see if the Town will vote to raise and appropriate the sum of one thousand (\$1,000.00) dollars, for the installation of a playground in the south end of Hooksett, as petitioned for by Homer B. Enderson and forty-seven (47) others.

16. To see if the Town will vote to raise and appropriate the sum of three thousand two hundred eighty dollars and (\$3,280.55) fifty-five cents, to gravel and

surface treat with asphalt the Hackett Hill Cross road, a distance of five thousand sixteen (5016) feet, as petitioned for by Alphonse Wuytack and thirteen (13) others.

17. To see if the Town will vote to raise and appropriate the sum of five hundred (\$500.00) dollars to re-surface and repair Hale Avenue from the Daniel Webster Highway to the Mammoth road, as petitioned for by Frederick C. Bourbeau and twenty-six (26) others.

18. To see if the Town will vote to raise and appropriate the sum of one thousand one hundred and twenty-five (\$1,125.00) dollars for the purchase of a chain link fence, five hundred and thirty-three (533) feet on the east side of Head's Cemetery, as petitioned for by Fayette C. Blair and fourteen (14) others.

19. To see if the Town will vote to enact the following ordinance, pertaining to the operation of Open Air Theatres:

The Selectmen and the Chief of Police shall have the power to compel the operator of any open air theatre to provide, at the owner's expense, any and all necessary police officers, precautionary signs, lights, markings or other safety measures, deemed necessary by the Selectmen and the Chief of Police, to promote the safety of public life and property.

Salaries for any officers for such purpose shall be fixed by the Selectmen and the Chief of Police.

Maximum penalty for failure to comply with these regulations shall be a fine of twenty-five (\$25.00) dollars for each offense.

Petitioned for by the Selectmen and the Chief of Police.

20. To see if the Town will vote to adjust the compensation of the Tax Collector, so that he shall receive one per cent (1%) of the amount actually collected by him and turned over to the Town Treasurer, during each calendar year.

21. To see if the Town will vote to raise and appropriate the sum of three hundred and eighty (\$380.00)

dollars to install catch basins and drains, for the elimination of water hazard at the corner of Martin's Ferry road and Benton road, as petitioned for by James Moncrieff and seventeen (17) others.

22. To see if the Town will vote to accept and maintain the road from Cushings' Store to Eva Houle's residence on Vallee Avenue, as petitioned for by Eva Houle and thirteen (13) others.

23. To see if the Town will vote to accept the road leading from Martin's Ferry road to the property of Edward Bellerive, Lewis Fields and Allen Larrow, and if accepted raise and appropriate the sum of one hundred (\$100.00) dollars to fix the same as petitioned for by Lewis A. Fields and J. Alleen Larrow and eight (8) others.

24. To see if the Town will vote to raise and appropriate the sum of four hundred (\$400.00) dollars for continuing the blister rust program, as asked for by the State Forestry Department.

25. To transact any other business that may legally come before said meeting.

Shall the provision in Chapter 171a of the Revised Laws, relative to the playing of the game of Beano, be adopted by the Town?

(See your ballot).

Given under our hands and seal, this eighteenth day of February in the year of our Lord nineteen hundred and fifty.

FOREST FIRES—OUR MOST SHAMEFUL WASTE

Everyone apparently fears fires but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 percent of all fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires are our most shameful waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New

Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is PREVENTION—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved ONLY if YOU and YOU and YOU cooperate with them. It is worth YOUR effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.
4. Calling the warden promptly when fire is detected and aiding him to extinguish it.

Let's reduce the number of forest fires and eliminate our most shameful waste.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS OF HOOKSETT

It is with considerable pride that I present to you my third annual report of the schools of Hooksett. I would like to express my appreciation and thanks to all organizations and individuals that have supported so wholeheartedly the policies which have extended a far-reaching influence, not only upon the community, but also to other communities as well. May this continued cooperation prevail through the year ahead when public education will be discussed critically, especially in terms of increased enrollments.

Because the State Legislature chose to reduce the amount of State Aid in Education, the financial structure of many of the towns in the State received a devastating blow. Hooksett was no exception. In 1948-1949 the school district received about \$13,600.00 from the state as aid to education. In 1949-50 this amount was reduced to \$338.65, more than \$13,000 less than a year ago. However, through the foresight of the School Board and the citizens of the town, the schools were able to maintain their high standards in all phases because enough money was made available at the School District meeting in March 1949. This situation concerning state aid still exists and again every effort must be made to keep our schools on the same high level of achievement.

With the beginning of this year—1949-50—we have begun to see the increased enrollment in the schools. For this reason the proposed budget has taxed the work of the School Board to such an extent as to require as close a check as usual on such items as salaries, tuition, books and supplies, equipment, and repairs and replacements.

It must be remembered, however, that with the increased enrollment nearly every item of the budget will show an increase also.

Our greatest budget increase will be found in the tuition. This figure for 1949-50 was \$16,000.00. This estimate was based on the tuition rate of \$170.00 per pupil. It was found, however, that because of the increase in the cost of education in the state as a whole, this tuition rate for the Cost of Instruction was \$181.02 instead of the estimated \$170.00. To add to this dilemma, both Concord and Manchester set the tuition cost at \$190.00 per pupil instead of \$170.00 or even the state average of \$181.02.

During this year, 1949-50, there are 47 pupils attending Manchester High School, 11 pupils attending Concord, and 12 attending Pembroke Academy. Of this total—70 pupils—nine will graduate. There are 20 potential graduates from the three schools in the town in June 1950. This means that there will be at least 80 pupils who will attend high school beginning in September 1950 not counting the families with children who we must expect to move into the town during the next 12 months.

The Concord School Union has notified the Hooksett Board and all other school boards who send children to Concord secondary schools that the tuition rate for next year will be \$250.00 per pupil, an increase of \$60.00 over this year per pupil. Since Manchester set its tuition rate the same as Concord in 1949-50, it is safe to predict that the same thing will happen in 1950-51. Pembroke Academy usually charges the State Average each year. In 1949-50 it was \$181.02 and will undoubtedly be raised to \$200.00 in 1950-51.

Therefore, with the increase in the number of pupils entering high school and the increased cost of tuition, we can readily understand why the proposed budget for 1950-1951 calls for an increase of nearly \$3,500.00 for this item alone.

Again, the problem of increased enrollment or the number of children entering the Hooksett schools must be met, not only from the standpoint of graduates and high school tuitions, but also in such items of the budget as textbooks, supplies for children and janitors, retirement amounts, per capita tax, equipment, repairs, and replacements, together with actual lack of floor space for pupils' desks, chairs, and activity programs.

The problem is always present concerning the playgrounds. Because of items of a prior nature, this prob-

lem has been set aside until such time when the Board is able to see the necessary money to resurface and grade the playgrounds. The time is not too far-distant, however, when parents are going to demand that the playgrounds are a vital part of the education of their children and call for enough funds to complete the job.

There is another important problem that is closely associated with increased enrollment. This problem is the expansion of building facilities. This problem has been vividly shown during the past year especially in the Village School where a new room has been made possible to house the number of the younger pupils. This problem is vital to the school at Martin's Corner. Every room is at the present time overcrowded and when the fall term opens, it is my opinion that we shall have to have more room for our youngsters in that school or transport them to the Lincoln Park School. The school in that section of the town is the smallest at the present time, but this will not be for long if other indications of increased enrollment continues. A situation like this influences other problems including transportation and equipment.

Because the budget at this time of the year generally overshadows all other factors pertaining to the schools, we can easily forget the part the schools play in the economy of the community and the achievements made during the previous year. Therefore, in order to show the citizens of the town what has been accomplished and to emphasize what has been done since our last report, let us briefly recapitulate.

Another teacher has been added to the teaching staff at the Village school in order to relieve the congestion in the lower grades and to allow these pupils to receive their just share of individual instruction; the staff has been improved to the extent that we now have men and women who not only have had more training, but who continue to take courses for greater improvement; a modern ranking system with the emphasis on the real development of the child as a human rather than from just the goal of rank or grade; material and equipment has been purchased which meets the level of every child as an individual and his relation to the group; and a testing program based on the psychology of child growth with guidance from the standpoint of human relations and social development.

It is a pleasure to be able to report that the schools of Hooksett have continued to be regarded as among the best. For this continued record may I thank the graduates who have made such excellent progress, the teaching staff for its untiring confidence in the youth of the schools, and the School Board for its encouragement and cooperation in our efforts to make Hooksett schools a living monument of the town.

Respectfully submitted,

MURRAY H. WATSON.
